POTS 2026 – Paediatric Orthopaedic Trauma Symposium, organised under the esteemed aegis of the Paediatric Orthopaedic Foundation (POF) and in association with the Delhi Orthopaedic Association (DOA), proudly carries forward its legacy of academic excellence after the resounding success of its 2024 and 2025 editions. This prestigious symposium is dedicated to advancing the science and practice of paediatric orthopaedic trauma, bringing together eminent national and international faculty, experienced clinicians, and young surgeons for meaningful academic exchange, evidence-based learning, and collaborative growth.

Join Us

Be a part of POTS 2026, where knowledge, experience, and innovation come together to elevate standards of paediatric trauma care.

Highlights of the Event

01

Interactive Course Lectures

- Upper Limb Trauma
- Lower Limb Trauma
- Sports Injuries in Children

02

Case-Based Discussions

- Upper Limb Trauma
- Lower Limb Trauma
- Sports Injuries in Children

03

Skill Training Workshops

- Hip Spica and Fore arm Cast Application workshop
- Paediatric Hip Plate (Valgus Osteotomy)
- Cubitus Varus Correction Osteotomy

04

Delegate Case Presentation

- Prize for Best Case Presentations

05

Quiz

- Prizes for Winners

Day 1 : Scientific Program

Kickstart with Registration & Power Breakfast	8.00AM to 8.45AM
Introduction	8.45AM to 9.00AM
Workshop Modules: Strategy to Skill	9.00AM to 1.00PM
Workshop Module 1 : Casting	(60 + 15) Minutes
<ul style="list-style-type: none"> • Casting Material and Principles • Hip Spica and Forearm Casting Application 	
Workshop Module 2 : Proximal Femur Osteotomy	(60 + 15) Minutes
<ul style="list-style-type: none"> • Principles • Planning and Demonstration of Proximal femur valgus osteotomy 	
Workshop Module 3 : Cubitus Varus deformity correction	(60 + 15) Minutes
<ul style="list-style-type: none"> • Osteotomy Principles • Osteotomy Techniques • Demonstration of Step Cut Osteotomy 	
Lunch	1.00PM to 2.00PM
Session 1 : Physis and Remodelling	2.00PM to 3.00PM
<ul style="list-style-type: none"> • How paediatric fracture are different from adults 	
<ul style="list-style-type: none"> • Non accidental trauma, is it so rare? 	
<ul style="list-style-type: none"> • Acute physeal injuries: Pearls and Pitfalls 	
<ul style="list-style-type: none"> • Late Presenting Physeal Injuries 	
<ul style="list-style-type: none"> • Interactive Case Discussion(Faculty+Delegate) • Case 1: Remodelling - what went wrong • Case 2: Delegate Case Presentation • Case 3 : Delegate Case Presentation 	

Session 2 : Paediatric Hip Trauma	3.00PM to 4:00PM
Avoiding pitfalls in femoral neck fracture management	
Hip Dislocation in children how not to miss it and how to manage in late presenters?	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Post Traumatic AVN - Is there any answer to it ? Case 2 : Non-Union Fracture Neck femur Case 3 : Late presenting Fracture NOF – 6 weeks Case 4 : Bilateral NOF / Failed fixation	
Session 3 : Femoral Shaft Fractures	4.00PM to 5.00PM
Paediatric Femoral Shaft Fractures – Is age the only factor in management ?	
TENS Nailing : Tips and Tricks Video Demonstration	
Sub-muscular Plating: Indications and Surgical Technique	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Length unstable # Case 2 : Adolescent # Case 3 : Failed spica Case 4 : Delegate Case Presentation Case 5 : Delegate Case Presentation	
Session 4 : Paediatric Knee and Sports Injuries	5.00PM to 6.00PM
Patellar Dislocation – Acute & Recurrent	
Role of USG in Paediatric Knee injury	
Intra-articular injuries in children – ligamentous & osteochondral	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Tibial Tuberosity Avulsion # Case 2 : Patellar sleeve # Case 3 : Physeal injury Distal femur / Proximal Tibia Case 4 : Delegate Case Presentation Case 5 : Delegate Case Presentation	

Session 5 : Ankle Injuries	6:00PM to 7:00PM
Ankle fractures in children - Pearls and Pitfalls	
Adolescent Transitional Injuries of the ankle	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Triplane Fracture Case 2 : SH 3 or SH 4 injury Case 3 : Talus fracture Case 4 : Delegate Case Presentation Case 5 : Delegate Case Presentation	
Day 2 : Scientific Program	
Session 6 : Breakfast Session	8:00AM to 9:00AM
Delayed Presentation and Missed Fractures : Panel Discussion	8.00AM to 8.30AM
Gold Medal Delegate Case Presentation	8.30AM to 9:00AM
Session 6 – Distal Radius and Hand Injuries	9.00AM to 10.00AM
Dia-metaphyseal fractures: Too distal to nail, too proximal to pin	
Hand Injuries in Children	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Missed Hand Ligamentous Injury Case 2 : Late Presenting Physeal Injury Case 3 : Mal-Union Case 4 : Delegate Case Presentation Case 5 : Delegate Case Presentation	
Session 7: Forearm Fractures	10:00AM to 10.45AM
Forearm fractures: Overview and Management principles	
TENS Nailing in Forearm	
Case Presentation - What Went Wrong Case 1 : Mal-Union Case 2 : Non- Union Case 3 : Post-infective Case 4 : Delegate Case Presentation	

Session 8: Lateral Condyle, Monteggia and Proximal Radius fracture	11:00AM to 12:00PM
Lateral Condyle Fractures : Avoiding pitfalls in management	
TRASH injuries	
Missed Monteggia : Its Never too late to operate	
Proximal Radius Fracture : Best Strategy	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Delegate Case Presentation Case 2 : Delegate Case Pr	
Session 9: Supracondylar fractures	12:00PM to 1:00PM
Evaluation of supracondylar fractures : Recognizing the fracture personality	
Principles of Pinning SCH	
Pulseless perfused hand : Not to panic Talk	
Supracondylar fractures : when to open and How	
Interactive Case Discussion(Faculty+Delegate) Case 1 : Difficult Supracondylar Fracture Case 2 : Delegate Case Presentation	
Lunch	1.00PM to 2.00PM
2.00PM to 2.30PM Quiz Competition	2.00PM to 2.30PM
Session 10 Fractures in special situations/Unusual Fractures	2.30PM to 3.30PM
Post osteomyelitis fractures	
Pathological fractures - tumour	
Metabolic fractures	
Spine fractures in children	
Interactive Case Discussion(Faculty+Delegate)	

Session 11 - Miscellaneous	3:45PM to 4:45PM
Medial Epicondyle Fracture - Conservative or Operative	
Child with Polytrauma	
Proximal Humerus fractures : Case Based Discussion	
Interactive Case Discussion(Faculty+Delegate)	
Prize Distribution, Valedictory	4:45PM Onwards

Registration

Course Registration Fee

For DOA/POF Member/Residents(PG/SR) : Rs. 9000 /-

For Non DOA/POF Member : 10000 /- INR

Registration Fee Includes Breakfast on 30th & 31st May, Lunch on 30th & 31st May, Delegate Kit, Gala Dinner Not included in it

Note :Gala Dinner(30th May 2026) : Rs. 3500 (Optional)

Payment/Account Details

- ✓ Account Name : Pediatric Orthopaedic Foundation
- ✓ Branch Name : D-9, South Extension, Part II, New Delhi -110049
